

**To:** Halsey Taylor® Customers  
**Date:** July 13, 2016  
**Subject:** Buy American Act Compliance

Following is a list of Halsey Taylor water fountain, chiller and cooler product families that are proudly built in the USA. As a result, all of these product families comply with the Buy American Act and the American Recovery and Reinvestment Act except where noted. The identified product families literally represent hundreds of individual models that will cover virtually every application for various commercial projects.
