

# More Refill, Less Landfill

**Each second, Americans consume 1500 plastic water bottles.**

Reduce that number with the Hydroboost® bottle filling station. Ideal for any environment, Hydroboost offers a touchless, rapid fill of filtered water to quench thirst and reduce plastic bottle waste in the environment.

**Visit [halseytaylor.com](http://halseytaylor.com) for more information.**

**Halsey Taylor®**  
Satisfying Thirsts Since 1912.
